## **SINHGAD LAW COLLEGE** **NATIONAL SERVICE SCHEME**

### **AIMS AND OBJECTIVES**

As the third component of education, the NSS is a part of our academic, social, and personal lives. It enables students to actively offer their time and talents to the betterment of their society and country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, as a result, become responsible citizens of India.

### **MOTTO OF NSS**

#### **"NOT ME BUT YOU"**

#### **THE MOTTO**

This embodies the essence of democratic living and emphasizes the importance of unselfish service, respect for the other's point of view, and consideration for fellow humans. It emphasizes that an individual's well-being is ultimately dependent on the well-being of society as a whole. As a result, the NSS should make it a goal to live up to this philosophy in its daily activities.

#### **THE NSS SYMBOL**

The National Service Scheme's symbol, which appears on the cover page, is based on the chariot wheel of Odisha's Konark Sun Temple. The Sun Temple's massive wheels represent the cycle of creation, preservation, and release as well as the movement of life across time and space. The symbol's design a simplified version of the sun-chariot wheel, emphasizes movement. The wheel represents life's ever-increasing cycle. It represents both continuity and change, implying the NSS's on going commitment to societal development and advancement.

## Village Survey (Legal) at 15<sup>th</sup> January 2020 at Garod Mhasavali

Free legal aid services have been set up to provide legal advice to the poor and the needy people. In India, there are a lot of poor people who are not able to earn their two times meal also. So for them, it is very difficult to afford an advocate for their case. So free legal aid is necessary for those people as it is written in our Indian constitution under Article 14 that all the people are equal to the justice should also be provided to the entire person whether he is rich or poor. So free legal aid is given so that the poor who are not able to fight a case against a powerful or a rich person can also get justice. In view of the above need and importance of providing free legal aid. Every year college organizes Free legal Aid and Awareness Camps at villages by inviting senior Advocates to address the villager's issues. For making the legal aid camp useful for the villagers, college conducts a pre visit survey, prior to Legal Aid Camp to assess or analyzes the needs of the villagers; accordingly college makes arrangement for inviting the expertise to resolve the issues of the villagers through the camp. The pre visit or village survey was conducted on **15<sup>th</sup> January 2020** at Garod Mhasavali. Students and staff reached the village around 10 am. Students visited the homes to collect the by using pre decided questionnaire. There were **30** students and **two** staff members.
