TREE PLANTATION DRIVE ON 15th July 2019

The importance of trees cannot be overlooked. Trees as called the lungs of nature are an important part of our life. One cannot imagine the existence of life on Earth without trees. Since trees absorb carbon dioxide and give off oxygen, they are essential for combating the global warming effect being created by excess carbon dioxide generation. They provide us with services from retaining water to cloud formation and weather regulation. Realizing the importance of trees team Green Club took the initiative every year to plant trees

Sinhgad Technical Education Society has organized a mass tree plantation drive under the leadership of Sinhgad College of Engineering Vadgaon and Narhe Campus in Association with the Forest Department Pune including all the colleges of Sinhgad Institut by planting 5000 saplings at Kambhare Hills Taluka Bhore Pune District on 15th July 2019 in this tree plantation drive students and staff of Sinhgad Law College GREEN CLUB also took part in this noble initiative. Our Students and Staff members took an oath of planting at least one tree every year. After taking the oath students and staff planted plants. Students enjoyed this event. After completing this project we felt really good from deep inside not just because we completed our task but because we also fulfilled our moral and ethical responsibility of caring about others. The saplings we planted today might grow into a huge tree providing shade and oxygen to others or some might grow into a flowering plant. **5 students** participated in this event along with the staff.

Village Survey (Legal) on 15th January 2020 at Garod Mhasavali

Free legal aid services have been set up to provide legal advice to poor and needy people. In India, there are a lot of poor people who are not able to earn their two-time meal also. So for them, it is very difficult to afford an advocate for their case. So free legal aid is necessary for those people as it is written in our Indian constitution under Article 14 that all people are equal the justice should also be provided to the entire person whether he is rich or poor. So free legal aid is given so that the poor who are not able to fight a case against a powerful or a rich person can also get justice. Given the above need and the importance of providing free legal aid. Every year college organizes Free Legal Aid and Awareness Camps in villages by inviting senior Advocates to address the villager's issues. For making the legal aid camp useful for the villagers, the college conducts a pre-visit survey, of the Legal Aid Camp to assess or analyzes the needs of the villagers; accordingly, the college arranges to invite the expertise to resolve the issues of the villagers through the camp. The pre-visit or village survey was conducted on **15th January 2020** at Garod Mhasavali. Students and staff reached the village around 10 am. COVID 19 VOLUNTEERING BY MAITRI MEMBERS & STAFF FROM 11th MAY TO 21st MAY

RSS Jankalyan Samiti organized a campaign where volunteers had an opportunity to serve the nation by going to slum areas and conducting the door-to-door screening. It was my privilege to become a volunteer in the campaign. I volunteered from 11th May to 21st May. We had the work of doing basic screening (taking body temperature) and noting down basic information about people living in these areas. With one doctor and another volunteer, we did screen almost 100+ houses every day. We visited these slum areas wearing full PPE kits. I volunteered for 3 days and was quarantined for 7 days at Garware College. I visited the slum areas of Ramtekdi, Laxminagar, and Ambedkarnagar. We also prepared a suspect list and sent it to PMC. All the residents were very cooperative and did not hesitate to give us their data. After 7 days of quarantine, we did a swab test and tested negative. We were allowed to go back home after the test. **4 Students were present.**
