SINHGAD LAW COLLEGE REPORT OF NSS ACTIVITIES

AIMS AND OBJECTIVES

As the third component of education, the NSS is a part of our academic, social, and personal lives. It enables students to actively offer their time and talents to the betterment of their society and country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, as a result, become responsible citizens of India.

MOTTO OF NSS

"NOT ME BUT YOU"

THE MOTTO

This embodies the essence of democratic living and emphasizes the importance of unselfish service, respect for the other's point of view, and consideration for fellow humans. It emphasizes that an individual's well-being is ultimately dependent on the well-being of society as a whole. As a result, the NSS should make it a goal to live up to this philosophy in its daily activities

THE NSS SYMBOL

The National Service Scheme's symbol, which appears on the cover page, is based on the chariot wheel of Odisha's Konark Sun Temple. The Sun Temple's massive wheels represent the cycle of creation, preservation, and release as well as the movement of life across time and space. The symbol's design a simplified version of the sun-chariot wheel, emphasizes movement. The wheel represents life's ever-increasing cycle. It represents both continuity and change, implying the NSS's on going commitment to societal development and advancement

9. STUDY VISIT TO SUGARCANE SUGAR CANE CUTTING WORKER:

Sinhgad law college NSS Unit A-SF-181 organized study visit to Sugarcane at Kondapuri on 07/03/2022 about 50 students participated in study visit. The groups of workers, also known as tolis, either stay on the sugar factory premises or in the sugarcane fields. The children do not go to school and help their parents bundle the cane. There are no welfare benefits, medical assistance or paid days off for pregnant women. If someone dies, no one takes responsibility, and there is no compensation either. Even if women workers fall ill halfway, there is no room for exhaustion. Instead, their mukadam verbally abuses them and charges a fine, which is deducted from the advance payment. Apart from being sexually exploited, some women even undergo hysterectomy surgery to prevent income loss due to menstruation. This is because when a woman misses work, she is fined between ₹500 and ₹1,000 per day. At least 10% of the women are pregnant but unaware of their lawful rights and the benefits ensured under various government schemes.
