### **6.1.1: The governance of the institution is reflective of and in tune with the vision and mission of the institution**

All faculty members actively participated in the development of the institute's vision and mission via meaningful and deliberate discussion. The institutes prospective plans are carried out by the Principal in collaboration with the faculty after being discussed and decided upon in meetings with the principal and IQAC. According to the IQAC's recommendations, activities are carried out to build capacity in order to instill the necessary abilities to fulfill the institute's vision and purpose statements.
