making in all areas of life, equal pay, an end all forms of violence against women and girls, and health-care services that respond to their needs.

Women stand at the front lines of the COVID-19 crisis, as health care workers, caregivers, innovators, community organizers and as some of the most exemplary and effective national leaders in combating the pandemic. The crisis has highlighted both the centrality of their contributions and the disproportionate burdens that women carry.

Women leaders and women's organizations have demonstrated their skills, knowledge and networks to effectively lead in COVID-19 response and recovery efforts. Today there is more acceptance than ever before that women bring different experiences, perspectives and skills to the table, and make irreplaceable contributions to decisions, policies and laws that work better for all.

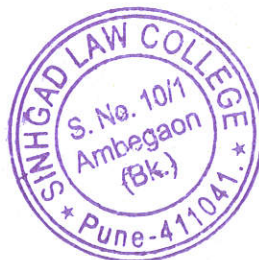

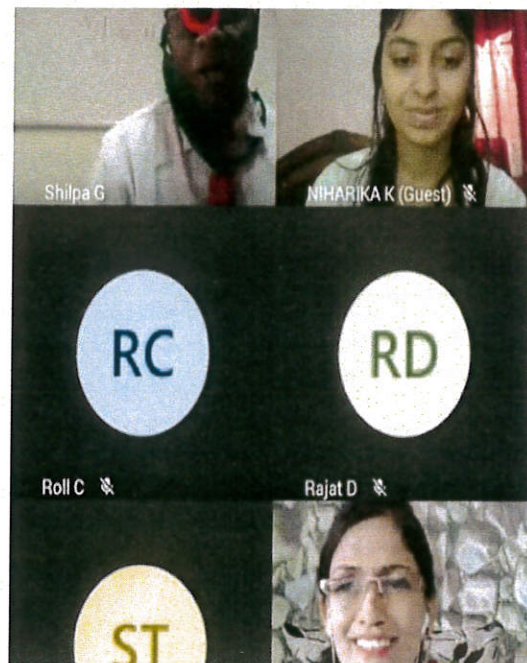

Lastly, after the speech was over, the floor was set open for question and answer session. The questions largely were on the topic of the Fundamental Rights, awareness for Women empowerment etc. All the participants were satisfied with the answers and were happy with the event.

Dr. Shilpa Gaikwad, Asst. Professor, acted as the Coordinator, of the Webinar. She summarized the session and thanked the guest and all the participants. **Subject: Invitation to conduct Webinar on the topic "Understating Stress"**

Dear Madam

Sinhgad Law College is established in the year 2003 and is engaged in imparting quality Legal Education to all the students. In short span of time the college has been able to make its mark in the legal arena. The credit of this goes to constant encouragement and support of the management, good infrastructure facilities and dedicated staff. The college continuously conducts various activities for the all round development of the students.

In today's world of competition, stress has its roots deep into the society spreading its ill effects to the productive section of the society that is the students. Students or our youth in order to become something and attain an identity of their own thrive day and night to reach their goals and work hard as much as they can. This process even though might prove fruitful later on makes the students face a lot of tension which ultimately leads to **STRESS**.

In this regard, we would like to request you to guide our students on the above topic. I hope you will accept our invitation and conduct the webinar on "**Understating Stress**" for our students and Staff on **Saturday 19<sup>th</sup> September, 2020 at 12p.m.**

Thanking you

**Subject: Invitation to conduct webinar on the topic Women Financial Literacy –Be your own Lakshmi for our teachers and students on 7<sup>th</sup> January at 3.00 p.m.**

Dear Madam

Sinhgad Law College is established in the year 2003 and is engaged in imparting quality Legal Education to all the students. In short span of time the college has been able to make its mark in the legal arena. The credit of this goes to constant encouragement and support of the management, good infrastructure facilities and dedicated staff. The college continuously conducts various activities for the all-round development of the students.

Generally, Indian society does not encourage financial empowerment of a woman. Financial discussions and responsibility have traditionally been a male domain. Women are rarely allowed to participate in the financial discussions of the families. Consequently, women who grow up in such families lack the basic knowledge and experience of financial planning. Even though they emerge as confident leaders in every aspect, they struggle to manage their finances which often retards their growth. Therefore, for young women to be financially secure, it is important that they discuss, question and learn about finances among their families and friends. So that women know from the very beginning that they don't have to be dependent on others for anything, not even money.

To create awareness on this issue, I take the privilege to invite you to conduct webinar on the topic "Women Financial Literacy –Be your own Lakshmi" for our teachers and students on 7<sup>th</sup> January 2021 at 3.00 p.m.

Anticipating your positive response

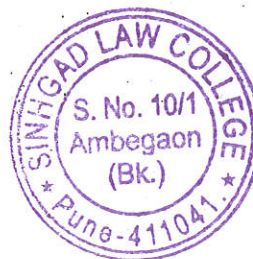

Thanking you

Subject – Invitation to conduct Seminar on the topic “Menstrual Hygiene”

Dear Sir

Sinhgad Law College is established in the year 2003 and is engaged in imparting quality Legal Education to all the students. In short span of time the college has been able to make its mark in the legal arena. The credit of this goes to constant encouragement and support of the management, good infrastructure facilities and dedicated staff. The college continuously conducts various activities for the all round development of the students.

In today's world, Menstruation — an unspeakable topic in most parts of the world. Women in rural areas are still ashamed of talking about their period which becomes a great barrier in the path of menstrual hygiene. They still don't know the importance of menstrual hygiene and how ignoring this will lead to infection and other issues. Poor menstrual health also leads to the spread of germs which don't just affect the woman, but her family as well. Thus, making it further necessary to discuss the importance of menstrual hygiene in families.

In the regard, we would like to request you to guide the women of Slum Dwellers of Parvati Area Pune, on the above topic. I hope you will accept our invitation and conduct the seminar on “Menstrual Hygiene” on Tuesday 9<sup>th</sup> March, 2021 at 11 a.m.

Anticipating your positive response.

Thanking you

Yours sincerely

Dr. Arunachalam Chettiar
